Welcome to the fourth annual Garding Against Cancer event! During these unprecedented times, we are so happy to still gather with you, even if it's across a screen. We are also excited to welcome those of you who are new to GAC!

Since establishing Garding Against Cancer in December of 2016, we have successfully raised more than \$4.3 million dollars, all of which stays in Wisconsin. At the UW Carbone Cancer Center, these contributions enable researchers to explore promising new ideas, purchase new cancer research technology, and develop better methods of diagnosing, treating, and preventing cancer. Additionally, funds are used to support patient care initiatives across the state of Wisconsin; particularly in Menomonie, Wausau, Oshkosh, and La Crosse, where we have provided funding for patient wigs, pediatric cancer family support, patient massage and music therapy, cool cap therapy to help prevent hair loss, and cancer screenings.

We are touched by the generosity of so many who continue to support the mission of Garding Against Cancer. Whether through sponsorships, donations, in-kind gifts or time, together, you understand that cancer does not stop, even during a pandemic. As cancer continues to sabotage the lives of patients and their families, all across Wisconsin, we must continue to do all that we can to support their journeys, as well as the medical community who passionately work to eradicate this disease. From the bottom of our hearts, thank you for being an integral part of our Garding Against Cancer community.

Greg & Michelle

Coach Greg and Michelle Gard

ON, WISCONSIN!

Garding Against Cancer lost two amazing members of the GAC team this year. Marty Krueger, one of the original GAC steering committee members, passed away in April, and Wade Fetzer, an original steering committee member and Point Gard, passed away in August. Both were incredibly smart, kind, and loyal, and we were lucky to know them. They, along with their love of all things Badgers, will be greatly missed.

Marty Krueger

Wade Fetzer, second from left
